

Volunteer Opportunity: Content Creator for Impact Documentation

Project Background

Mpower is seeking passionate and skilled volunteers for its Impact Documentation Initiative. The objective is to collect compelling qualitative data that reflects the real-life impact of our mental health initiatives. Through narrations, audio-visuals, and photography, volunteers will help document the stories and moments that bring our work to life.

Project Objective

To accompany Mpower teams to project locations and document the journey, experiences, and impact of our work using visual storytelling. This includes capturing:

- Impactful moments and milestones
 - Testimonials from beneficiaries, stakeholders, and team members
 - Tangible project outcomes through video and photography
-

Volunteer Deliverables

As a volunteer, you will contribute by:

- **Identifying Impactful Moments:** Observing and highlighting moments of change, engagement, or breakthrough that illustrate Mpower's impact
- **Collecting Testimonials:** Interviewing and recording first-hand accounts from individuals impacted by our programs
- **Documenting Outcomes:** Creating visual records (photos and short videos) that show progress, transformation, and results

Each volunteer is expected to cover **at least one and up to three projects** during the engagement period.
