Who We Are

The Aditya Birla Education Trust marks the foray of the organization into the field of education. Since its inception, it has always strived to nurture young minds. Aditya Birla Education Trust is a body registered under the Bombay Public Trusts Act 1950 at Mumbai.

Mrs. Neerja Birla is the Founder and Chairperson of the Trust. The Trust consists of four units:

Aditya Birla World Academy

At Aditya Birla World Academy in Mumbai, the endeavor is to provide world class education to our students by training them under the CAIE (Cambridge Assessment International Examinations) from pre- primary to Grade X, and under the IBDP (International Baccalaureate Diploma Program) and A Levels for Grade XI and XII. ABWA strongly focuses on the socio-emotional development of every child to ensure that each and every child feels safe, supported and motivated.

The Aditya Birla Integrated School

The Aditya Birla Integrated School is for children with special needs. TABIS commits to provide a state-of-the-art holistic and personalized environment so as to inspire potential in each and every child.

Aditya Birla Education Academy

Aditya Birla Education Academy engages educators in the new-age global processes of education, and empowers them to evolve into the best knowledge-givers they can be. It equips them to nurture young minds that will contribute towards shaping the future.

Mpower

Mpower proactively champions mental health causes, creates awareness, advocates prevention and provides services for mental health care through a holistic and multi-disciplinary approach. It aims to end stigma and encourage dialogue around mental health.

VISION

Mpower was born with the aim to #StampOutStigma and encourage open dialogue around Mental Health, so that individuals could have the right to a fulfilled life, sans any bias, discrimination, or shame - regardless of socioeconomic boundaries.

Mpower hopes to bring about a change in the public perception regarding people coping with mental health concerns, and to facilitate recovery without facing discrimination or shame, whilst simultaneously affecting change in policy and public life.

Our mission is to empower individuals and their families with mental health concerns by creating awareness and alleviating stigma; advocating prevention, fostering education, and providing world-class holistic services so that they may lead meaningful and productive lives with respect and dignity. We achieve this by

Creating
Awareness

Fostering
Education

Advocating
Prevention

Providing
Service

MISSION

From the Chairperson's Desk

Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence – Helen Keller

In the recent years, we've really seen a paradigm shift in the field of healthcare with an increased focus on health and fitness beyond just curing illness and instead on actively working towards a preventive, holistic lifestyle. A healthy body needs a healthy mind and finally, the spotlight is on mental health as well.

In India, the Mental Health Act was passed in 2018 and is in the final stages of implementation across 29 states. While these are great steps in the right direction, deep-rooted stigma, lack of awareness and lack of access to mental healthcare stand in the way of any true progress.

Mpower is an on-going endeavour to be the movement to affect that change and we are determined to keep chipping away at this resistance

in our humble way. Do join our mission so that together, we can work towards creating a sound ecosystem for mental health in India – so that we can become a stigma-free society where mental healthcare and well-being is a priority for everyone.

Our vision to
#StampOutStigma
gathers impetus from our firm belief that, *'It is okay not to be okay, but it is not okay not to seek help'.*

Let us
#StampOutStigma together.

Neerja Birla

Leadership Team

Mpower has a full time multi-disciplinary clinical team consisting of 25+ professionals providing specialized service for children, adolescents and adults with severe mental health concerns.

Team Mpower is **71 people strong**, with *4 Psychiatrists, 32 Psychologists and Therapists, and 35 Members of the Management Team*. Mental Healthcare

Why the Need?

India is the 7th Largest country in the world area-wise and 2nd largest in terms of population. Geographically diverse, the India hosts 1.3 billion people of the world.

With an effort to overcome the existing language, cultural and geographical barriers in sight, approximately 55% population still resides in Rural India.

Depressive disorder is the leading cause of years lived with disability and anxiety.

It is estimated that just **over 1 in 10** people in India have a mental health issue.

0.8% Indians have a common and severe mental health disorder.

1 in 10 people makes it **130 MILLION** people with mental health concerns.

That is more than combined population of *Mumbai, Delhi, Bangalore, Kolkata, Pune and Ahmedabad.*

1.33 LAKH
Suicides recorded in India in 2015*.

700 Million Number of 15 to 24 year olds; age bracket with the highest tendency for suicide.

1 in 20 people in India suffer from depression.

Out of 61.5 Million Indians with Mental Health Disorders

2.5 million people have schizophrenia,
8.8 million have bipolar affective disorder,
36.8 million have anxiety disorders
13.4 million have alcohol dependence.

There is a rise of 30% people suffering from mental health illnesses in just 3 years. (18 million in 2013 suffering from mental illness to 61.5 Mil in 2016).

Despite the large burden of mental illnesses, **only 10% of Indians** with mental health problems receive evidence-based treatments. Treatment **gaps greater than 70% exist** due to insufficient funding of mental, neurological, and substance use disorders. India's spending on mental health care has consistently been inadequate. **India has 1 Psychiatrist for every 3 lakh people and 1 psychologist for every 15,000 people.**

The need of the hour, thus, is to promote mental wellness, by providing mental health care solutions to one and all.

From a 12 state NIMHANS Survey report that has been reported but may or may not have receive any treatment.

Our Mission to #StampOutStigma around Mental Health is achieved through the following five verticals:

Mpower - The Movement

- Ride to Mpower
- World Suicide Prevention Day
- World Mental Health Day
- The Happy Place
- GenM & The Mpower Fest
- #SpeakUp with Mpower
- Art Express
- Be the Change

Youth Mental Health First Aid

Workshops with NGOs

The Mpower Hub

- Project Mpower ECHO
- The Mpower Conclave

Mpower 1 on 1

A helpline in collaboration with the BMC and State Government of Maharashtra.

A large crowd of people is gathered at night, many holding up their smartphones to take photos or videos. The scene is illuminated by city lights and the screens of the phones. In the foreground, a man in a dark polo shirt and glasses is looking up, and another man in a white and blue t-shirt with 'POWER KIND MATTERS' is also looking up. A young girl is visible in the lower right. A large blue 'W' graphic is overlaid on the left side of the image.

Through The Movement, we strive to bring about a cultural shift and a change in the mind-set of people by addressing misconceptions, fostering positive attitudes, disseminating correct information, and alleviating stigma related to mental illnesses.

Events

Ride to Mpower

An annual cycle ride aimed at spreading awareness and challenging stigma experienced by people with mental health concerns - over 4500 participants in last 4 years, who pledged their support to the cause.

The Mpower Fest

A music concert to raise awareness about mental health headlining Arijith Singh and featuring artistes such as Vishal-Shekhar, Armaan-Amaal Malik and Shalmali Kholgade, where over 20,000 Mumbaikars pledged their support for a Mental Health positive society in 2017 and 2018.

Art Express

A community led initiative where people come together and paint the city walls in Mumbai to break taboos and bring the conversation about mental health out into the open where it cannot be ignored.

In order to deal with the mental health concerns arising out of the pandemic and subsequent lockdown, the BMC and Mpower 1 on 1, along with the Government of Maharashtra have started a toll-free, 24*7 helpline, that helps individuals sail through the lockdown by addressing their concerns.

Mpower 1 on 1

A helpline for Mental Health concerns arising out of the pandemic

To assist in mental health concerns of citizens owing to the coronavirus pandemic, Mpower has tied up with the Government of Maharashtra and Brihanmumbai Municipal Corporation (BMC) to launch a toll-free helpline number 1800-120-820050. The helpline is available 24 x 7.

Launched on the 3rd of April, 2020, the helpline has been able to support **more than 40,000** callers through troubled times. Over the months of April and May 2020, Mpower has seen a rise in new cases of mental health concerns like anxiety, stress, depression, paranoia during the COVID-19 pandemic.

LET'S TALK
about how you're coping with COVID-19

Call 1800-120-820050 **#LetsTalk1on1**

to speak to a mental health professional
